

# Producing a vision for the future of community pharmacy in England

For my PhD, I am trying to find out how members of the public think services provided by community pharmacies should develop in the future.

If you are interested in taking part in a confidential group discussion and use community pharmacies regularly either for yourselves or on behalf of someone else, please contact me:

Evina Paloumpi (PhD student)  
[e.paloumpi@bath.ac.uk](mailto:e.paloumpi@bath.ac.uk)

You can also contact my supervisor, Dr Matthew Jones, 01225 383829. Please leave a message if no answer.

Participants will be given a £10 shopping voucher after each meeting.

Thank you
